

ACDC
ARMS CONTROL & DISARMAMENT CENTRE

The Institute of Strategic Studies Islamabad (ISSI) is setting up an **Arms Control & Disarmament Centre (ACDC)** as a part of the Institute for focused research and dialogue on issues of arms control & disarmament, nuclear non-proliferation, strategic stability and challenges associated with emerging technologies - in areas of high concern for Pakistan.

The ACDC would be inaugurated at the ISSI on **October 30, 2019** at **1450 hrs**. Your presence on the occasion would be a source of encouragement and strength to us at the inauguration of this initiative.
