

Mahmud Ul Haq
CEO, MTBC Inc.

“Covid 19 is a profound challenge for the humanity. We all must unite to combat this menace. The societies have never felt greater need for solidarity than the present times. My company MTBC stands with the people of Pakistan in this hour of trial and tribulation. I’m convinced that with resolve and determination we would defeat this pandemic. MTBC is contributing in our own modest way to help our society overcome this challenge.”
